DO NOT MAIL / DO NOT CALL SERVICE

Would you like to limit the number of unsolicited phone calls and letters that come to you from various businesses, organizations, promotions, etc. ?

You can easily have your name registered with the Canadian Marketing Association's (CMA) **Do Not Mail / Do not Call Service**.

This free service informs every member of the CMA to **not phone you, nor send you mail promotions** for a period of 3 years.

Registration with the **Do Not Mail / Do not Call Service** will help to reduce phone calls and letters from national commercial businesses and charitable organizations, however, it will not affect contacts from small local businesses. Consumers are advised to inform those businesses and organizations directly of their desire not to be solicited again.

This service will have no effect whatsoever on the regular mail you get from people and organizations you deal with. You can request this service by writing or completing the form below and sending it to:

Canadian Marketing Association
Do Not Mail / Do Not Call Service
P.O. Box 706
Don Mills, Ontario M3C 2T6

We hope you find this information useful.
